TO: Members, City Council, City of Fort Wayne, Indiana

SUBJECT: Consideration of taxi fares under special ordinance S-73-05-14

Gentlemen:

The Fort Wayne Convention and Visitors' Bureau and the Fort Wayne Hotel/Motel Association have jointly met with representatives of the Safety Cab Company of Fort Wayne.

The purpose of the meeting has been to attempt to iron out problems pursuant to services and costs, thereof, between Baer Field and Fort Wayne transient accommodations.

Cab Company officials have indicated a willingness to expand the existing limousine service (Baer Field to downtown) to include similar service to the accommodations constructed and in service elsewhere in the Fort Wayne area. They have indicated that they will provide such service as follows:

Baer Field to downtown accommodations: \$2.50 per person
Baer Field to outlying accommodations: \$3.50 per person

Both the Convention Bureau and the Hotel/Motel Association feel these limousine rates are reasonable; but, that they should be included in any ordinance establishing taxi fare rate schedules.

We feel, also, that such rates as may be established within this ordinance shall be required to be posted by the company at the airport; in all transient accommodations and in all vehicles offered for hire by the company.

We feel, also, that the taxi company or companies providing such service for Fort Wayne should be required, under the terms of the ordinance, to physically mark as "limousine" any vehicle designated as such by the company; and, that such service shall be advertised conspicuously at the airport as concurrently available with any taxi service the company (ies) are providing.

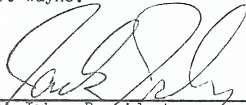

We do not feel our request, herewith indicated, works any hardship upon the company (ies) providing such service for Fort Wayne; but, that it does spell out to the visitors arriving in Fort Wayne what ground transportation is available and at what cost.

Members, City Council, City of Fort Wayne, Indiana

May 15, 1973

Page 2

Cab fares from Baer Field should be determined and posted at the airport on the basis of the rates as provided within this ordinance for the shortest traveling distance between the Baer Field Terminal and, at least, one point in downtown Fort Wayne; and, at least, one point in the north end of Fort Wayne.
